World Jewish Solidarity Day

Dear Friends,

It has come to my attention that plans are underway for a WORLD JEWISH SOLIDARITY DAY to be held in Elul 5774 – September 2014.

I endorse and support the Universal Call for all World Jewry to Assemble. We will promote, publicize and assist with this event throughout Israel and the Diaspora and assist to expand participation and involvement of communities internationally.

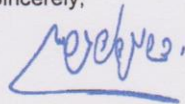

This unique initiative which aims to unite all Jews throughout the world in a massive global show of unity and support for Israel is especially important during these difficult times for Jewish people in Israel and in Jewish communities worldwide.

This event will take place using the latest technology- video-conferencing - which will allow simultaneous interaction between Jews all over the world with the main center being at the Kotel which will generate a strong feeling of unity amongst Klal Yisrael.

The timing of this event is crucial - during the month of Elul which will provide chizuk in the lead up to Rosh Hashanah and Yom Kippur and will be our 'wake-up' call to action in a positive way.

Many major Jewish organizations are already supporting this event and I call on my fellow friends, organizations and communities throughout the Jewish world to join in and participate and to assist in ensuring that as many people as possible be involved.

Sincerely,

Rabbi Yitzhak Dovid Grossman
 Migdal Ohr, Founder & Dean
